PERTHCOUNTY.CA

## welcome

Get right to the source of Perth County's local food culture. We are home to a variety of farm gate stores, self-serve stands and seasonal pick-your-own experiences.

### What to Expect

**Farm Gate Stand**  
These informal farm gate stands operate on a self-serve system. Pull up to the stand, pick up your items, and deposit money in the container provided. You may or may not see someone operating the stand.

**Farm Gate Store**  
Often a more formal store located on a farm with posted operating hours. Note that hours may change seasonally.

**Local Food Shop**  
Not located on a farm, but a location that sells primarily local food sourced from Perth County Farms. These shops have specific hours that may adjust seasonally.

**Home Based Sales**  
Sales take place from a personal home on a farm. You may see a sign, but no stand directly at the farm gate.

**Community Supported Agriculture (CSA)**  
Where people buy shares of a farm's harvest in advance and receive a portion of crops as they are harvested.

## FOLLOW THE Flavour

Finding Perth County Farm Gates is easier than ever with new roadside signage identifying each farm! Watch for these signs while driving to know when you've arrived at an official Discover More Flavour Farm.

## did you know?

Some farms grow fresh greenhouse produce such as lettuce, tomatoes and brussels sprouts all year long.

Amish & Mennonite Farms do not offer sales on Sundays.

Many farm gate operations are only able to accept cash as payment.

Over 3,900 people work in the agriculture industry in Perth County.

Perth County is one of the most productive agricultural regions in Ontario.

## food for thought

"Why buy berries or vegetables from across the globe when the best tasting ones are right in my own backyard? There's so much **fresh, local, and organic food** in Ontario. You just need to know where to look."

Lauren, [justinpluslauren.com](http://justinpluslauren.com)

"Nothing beats a delicious, **farm to table, home cooked meal** made with Perth County ingredients!"

Brittlestar, [brittlestar.com](http://brittlestar.com)

"The one common thread that we discovered in all of the places that we visited is that **quality matters**. Everybody uses **farm-fresh, locally grown**, ingredients in their food. Ingredients matter. **Freshness matters**. Supporting community matters. All of this was evident in every aspect of our visit."

RogueTrippers, [roguetrippers.com](http://roguetrippers.com)

Discover our picturesque rural county and meet the hardworking and inspiring people who grow the delicious food we enjoy daily.
